

# DIGITAL WORLD TRIP

F I N T E C H P R O G R A M

## AGENDA

11/05

10h - 11h 11h - 12h 12h - 13h 17h - 18h

Opening Session | English - Translation to Portuguese / Spanish

**The moment is now! The rise of Fintechs & Techfins in a new world**

**CHRIS SKINNER** - One of the fathers of the digital universe for the financial ecosystem, known for talking about Fintechs even before the birth of the term Fintech, will make our audience leave the comfort zone with a conference on the moment of opportunity for Fintechs, Techfins, Digital Banks and Open Banking in a post-pandemic world. Chris Skinner calls himself a "troublemaker" for always challenging the other to think differently. Are you ready for this challenge?
